THE BOOK

A TRUE STORY THAT REFUSES TO BE FORGOTTEN

Pirate Bunny is Francine Fox Date's true-life story - a journey through privilege, glamour, betrayal, addiction, homelessness, incarceration, motherhood, survival, and transformation.

Francine's life took her from extraordinary highs to devastating lows. Her memoir looks beyond the image people saw from the outside and reveals the choices, relationships, consequences, and determination that shaped the woman she became.

CORE STORY THEMES

RESILIENCE & REINVENTION

Starting over after life-changing consequences.

BEHIND THE GLAMOUR

The woman, struggles, and reality behind the public image.

BETRAYAL & SURVIVAL

Family, relationships, addiction, and the fight to survive.

MOTHERHOOD & FREEDOM

The emotional stakes that gave survival a deeper meaning.

TRANSFORMATION

Why the past does not have to determine the ending.

“What happened is only part of the story. The rest is what it took to survive it.”

THE WOMAN BEHIND PIRATE BUNNY

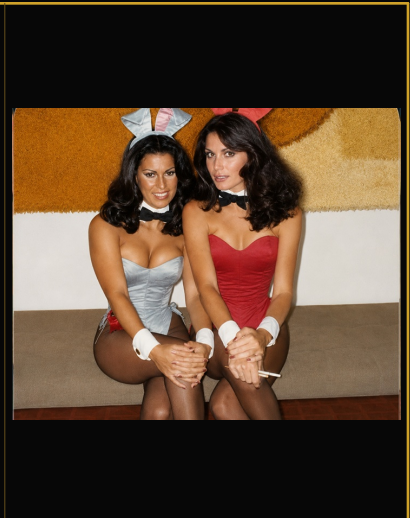

MEET FRANCINE FOX DATE

Francine Fox Date is the woman behind Pirate Bunny, a memoir drawn from an unconventional life filled with dramatic turns, hard-earned lessons, and remarkable resilience.

Her story spans childhood and family upheaval, performance and glamour, the Playboy Bunny years, motherhood, addiction, incarceration, loss, and reinvention. Today, through Fox Date Productions, Francine is telling that story in her own voice.

FROM THE ARCHIVES

A current portrait of Francine alongside selected images from her personal archive.

EDITORIAL ASSETS

A LIFE IN PHOTOGRAPHS

Selected archival images are available for editorial consideration. High-resolution files and usage permission may be requested through Fox Date Productions.

MEDIA OPPORTUNITIES

A COMPELLING INTERVIEW GUEST

Francine's story is suited for television, radio, podcasts, print and digital features, book clubs, live events, and long-form interviews.

SUGGESTED CONVERSATION STARTERS

- ◆ How did a life that looked glamorous from the outside become something very different behind the scenes?
- ◆ What did the Playboy Bunny years represent at that point in Francine's life?
- ◆ How did betrayal, addiction, and incarceration change the direction of her story?
- ◆ What role did motherhood play in her fight for freedom and survival?
- ◆ What does Francine wish people understood about judging someone by one chapter of their life?
- ◆ Why tell the complete story now - and what does she hope readers carry with them?
- ◆ What does reinvention look like after living through experiences most people could never imagine?

MEDIA INTRODUCTION

Francine Fox-Date's life reads like a screenplay, but it is entirely her own. In *Pirate Bunny*, she opens the door to a past marked by glamour, betrayal, addiction, prison, motherhood, survival, and the fight to reclaim her future.
